YEAH, GET IN LINE, BUDDY!

Dear *Voluptuous*,

I would be more than willing to put my face between Romina's gorgeous legs and suck on her pussy lips! I would really get off on her hairy pussy and the pungent odors that must be overpowering between her thighs.

Also, I can't wait to see the sexy Panther do some XXX. I'd love to lick her pussy, too. -L.H., North Carolina

Dear L.H.: Panther did XXX in the Holiday '05 Voluptuous Xtra. There's also another pictorial of Romina in that issue. Both are finalists for the 2005 Voluptuous Newcomer of the Year Award, which will be presented in the May '06 issue.

BRING ON THE SYRUP!

Dear *Voluptuous*,

Kelly Kay is absolutely perfect. Ily looks outstanding in every pose, especially my all-time favorite, the "pancake" shot. Normally, even really big breasts look small when a model is on her back, but not Kelly. More, please! -T.W., e-mail address withheld

IS EVZENIE TOO PLUMP?

Dear *Voluptuous*,

Have you guys lost your minds?

When I opened the Oct. '05 *Voluptuous* and saw Evzenie, I almost

threw up. She's way too fat for *Voluptuous*. Plump is one thing, but Evzenie? She's way over the edge. Leave her for those BBW magazines like XL-F.H., California

THANKS FOR EVZENIE?

Dear *Voluptuous*,

Evzenie is one of my favorite models. I want to thank you for featuring her in the Oct. '05 *Voluptuous*. I would have thought she'd be considered too big for *Voluptuous*. Evidently her tit size and sex appeal trumped all such objections, and I applaud that decision. I hope other readers agree because I'd like to see more plumpers like her.

Is Oct. '05's Evzenie (right) too plump for *Voluptuous*? You tell us. As for Miss Incredible Tits, Kelly Kay (below), one of the stars of the Oct. '05 issue, what can we say that hasn't already been said?

Yes, Romina is pretty special, but does she have the stuff to win 2005 *Voluptuous* Newcomer of the Year? For those of you who were brain-dead last month, the Holiday '05 issue is in the house (and on page eight). It features new, full-length pictorials of every Newcomer of the Year finalist. If you missed out, hurry! The voting deadline is Dec. 31, 2005.

Evzenie's whole layout is great. Besides having enormous tits, what makes Evzenie really special are her areolae. They are some of the biggest I've ever seen. In my opinion, Evzenie is the ultimate plumper.

I also like Eva. I like to see older women because their breasts tend to be "mature," i.e. pendulous, stretch-marked and having fully developed and sensitive nipples. My favorite shot is on the first page that shows her bra pulled down to her waist and her tits hanging naturally.—B.L., Florida

A BREAST-SAVER!

Dear *Voluptuous*,

It would be premeditated selfishness not to acknowledge and salute your excellent publication. Here in South Africa, ten years into our new democracy and newfound freedom of expression, I walked into a sex shop with an ulterior motive—to convince my beautiful wife not to approach a plastic surgeon to downgrade her 36F breasts.

Sitting together reading one of your

older issues that was somehow still available (the Nov. '04 issue of *Voluptuous*), my wife, Sarah, watched me have an instant "hard attack" over Diane Poppo, Taylor, Joana, Michelle (the same size as Sarah) and my falling in lust with Nicole Peters. With even more blood speeding to my erection, I enthused while my wife studied the dot-coms of Nicole Peters, Linsey Dawn McKenzie, Diane Poppo et al.

Sarah is now totally convinced, like I have always been, not to fix anything that's not broken. Thanks.

I congratulate both you and my wife on a fine frontal production.—J.&S., South Africa

Dear "Sarah": Glad you kept things as they are. You wanna make your husband really happy? Send us some snapshots, and

Everybody has that one model and picture that does it for them. For D.L. from Florida, it was this Oct. '05 picture of Eva.

if your hubby isn't exaggerating, have we got an anniversary present suggestion that will rock his world! Think about it.

DIANE THE GREAT!

Dear *Voluptuous*,

Each issue of *Voluptuous* is great, but the Sept. '05 issue is more cock-stirring than ever. What a fab set of pictures of Diane Poppo. With her pink wig and those S&M gadgets, Diane moved further up my *Voluptuous* ladder of great ones and may very well be at the top after this, her hottest pictorial ever.

My greatest fantasy is to imagine Diane squatting over me and drenching me with her golden rain.

I am well over 70, and I have to admit that my monthly dose of *Voluptuous* is the only thing that keeps me going.—B.S., England

WANTED: CUM FACIALS!

Thank you so much for the reader survey in the Oct. '05 *Voluptuous* and the opportunity to tell you what I like and dislike about *Voluptuous*. I have lots to say. I hope I can see some of my ideas come to life.

First off, you have the best magazine on the planet. Not only the women, but the quality of your photographs and the visually appealing layout make *Voluptuous* a very easy and enjoyable mag to read. I bought my first issue in

Nov. '03 and haven't missed one since.

The only two additions I would make are more lingerie or "stripping" shots and lots more hardcore. I know some of your readers don't like seeing the *Voluptuous*-girls getting handled by guys, but that is the first section I turn to every month! I would agree that the XXX hardcore is better with quality *Voluptuous* women. Girls who are "tweeners" or light in the boob power department should be avoided.

However, all too often I watch a gorgeous woman like Maria Moore or Casey Cleavage get laid only to be disappointed by the few drops of cum that dripped onto her breasts. I don't want to see cum-covered boobs. I want cum-coated asses. But, most of all, I want cum facials!

Only a few of your women have taken it in the face, and most of them only had a streak or two on their cheeks. I am desperate to see one of your models posing with a huge facial. I'm talking about a Peter North facial. Cum in her hair, in her eyes, on her nose, dripping off her chin and then landing on her breasts. Good sex

It's most every guy's dream to see a gal white-washed like Cassandra, and therein lies the problem. Many women (including *Voluptuous* models) have different fantasies.

NEW MAGAZINE ALERT!

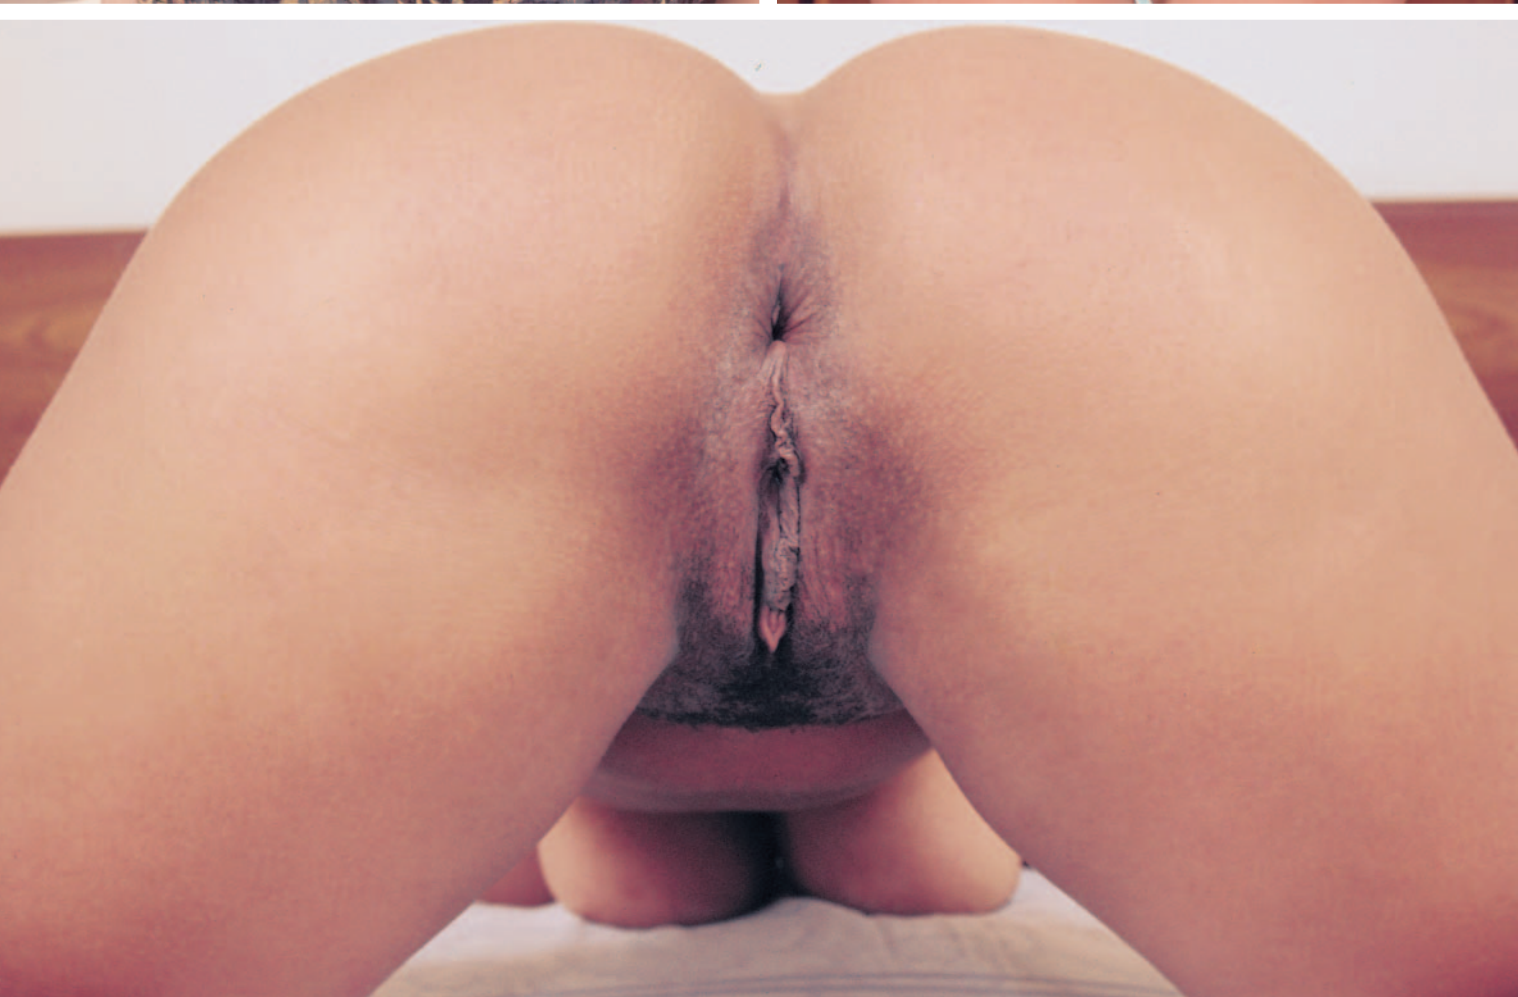

Big ass lovers are finally going to get theirs—*butt good!*

Well, it's about freakin' time! Yes, V-men, for those of you who have been writing the V-Mail saying, "When are you going to do an ass-mag?!" welcome home. The magazine is called...*Bootylicious*. If you want to blow bubbles in celebration, be our guest. However, instead of gum, might we suggest five rolls of Bounty, 10 gallons of Crisco and an unencumbered weekend where you can enjoy every brown-eyed girl we're offering up. Some are *Voluptuous* gals, like Sept. '05 newbie Panther. Others, yeah, they ain't packing F-cups. However, what all of these *Booty*-babes do have are asses to die for, or at the very least smother with a greasy load of jizz. We do everything you can imagine and then some to their winkies. From lubing 'em up like Monique (left) to pounding them so deep, most of our *Bootylicious* babes won't be sitting down for months. Get ready, boys, 'cause the show is just beginning!

On Page 16!

For those of you who care about identities, on this page we have Panther, the busty, black babe who debuted in the Sept. '05 *Voluptuous* and is a finalist in the 2005 *Voluptuous* Newcomer of the Year contest. Panther has an interview in this, the premiere issue of *Bootylicious*, where she basically bares all, in booty and soul. And, on that page over there to the left, that round smiley gal is Vivian, an XL-chick with enough ass for you, your best friend, and every guy you knew in high school—all at once. The young, bubble-butt to the right of Viv belongs to Julia. She ain't packing D-cups, but trust us boob-hounds, this gal's ass is so damned perfect, she could be an A-cupper, and we'd still want to tap that ass morning, noon and well into the night! Ditto for Paula (the bottom of page 14), who basically shows off what *Bootylicious* is all about. Heinies! Butts! Backsides! Caboooses! Arses (that's for you Brits)! Asses! The Round Mound of Pound! The Brown Eyed Winkie! Or the Puckered Pinkie! Hey, pick a phrase, every phrase, because with *Bootylicious* you're gonna need all of 'em!

Even if you're not a fan of deep derriere-dicking, it's kinda like a train wreck—you can't help but look. With all of the ass-pounding in *Bootylicious*, you're gonna do a lot more than just gaze in wonder and awe. You'll be spanking that monkey until he's a full-blown gorilla, especially when you see *Voluptuous* gals like Sierra (upper, right) and Emilia (right) getting their Hershey Highways driven well over the speed limit! *Butt*, this new ass mag isn't just about anal-fucking. It's about round, bubble- and heart-shaped asses with brown-eyes worthy of framing. Like Sophia (above) Caramel (opposite page, top) and the incredible Cherry Brady (left). Yes, we're packin' this premiere issue of *Bootylicious* with so many buds, you'd be able to fertilize the President's whole rose garden with all of your jizz. should be messy! Month after month I am disappointed with the very weak cum shots your porno guys produce. How could any man not shoot buckets after being with one of your girls? I know I could. If your guys can't step it up, please let me know how I can get hired. I'd give my left arm to show both the guys and girls how it's done!

As for anything else, hairy women and pregnant ladies don't do a thing for me, but rather than make the guys who love them upset, I'll just skip over the pages when they're in the magazine.

In closing, I'd love a response from someone in charge. Are the women afraid of facials, or are the guys just not up to it? Can we please see more bras and thongs and stockings?

Other than that, *Voluptuous* kicks absolute ass! I recently subscribed, so I'll definitely never miss an issue. And, gosh, I want that Kelly Kay bra so much! I have her calendar up in the garage, and I would love to hang that bra up beside it.

Thanks so much for this opportunity to let you know how I feel. This is just one more example of how The SCORE Group is in touch with their readers. -B.M., Canada

Dear B.M.: What better response than a reply in the V-Mail? Bras, thongs and stockings—yes, we agree with not only you, but the overwhelming percentage of readers who mirror your opinion. More coming. Speaking of cumming, not every woman enjoys cum facials. Yeah, being part of the greatest boys' club on Earth, we don't get it either. But, ya gotta do what you can to keep the girls happy. Suffice it to say, when a girl is willing to get blasted, we'll do our best to totally white-wash her. ①

NICOLE PETERS

Or, as we've come to call our reigning Model of the Year...The Great One!

The only thing left for debate is whether Nicole Peters is The Greatest One? In all objectivity, we've been delivering *Voluptuous* for 13 years now, and we haven't seen better.

From her tits, to her bush, to her curvy figure and pretty face, there's a reason Nicole is 2004's Model of the Year and the favorite to double-up for 2005.

And you're seeing it right now!

In simplest terms, Nicole Peters represents what *All Stacked! All Natural!* is all about. She's an English girl-next-door with a body that is one in a gazillion. Aside from being an artist (painting), Nicole is also a children's counselor who lives at home and is only now coming into her own as a model. That in and of itself is stunning, considering that, as Nicole enters her third year of posing, just about every V-man's all-time Top 10 list already has Nicole at or near the top. "Who's better?" is the question we always ask? It may be time to make it purely rhetorical.

Can you imagine what it must be like to slide in between Nicole's rack? Most guys complain that she doesn't do hard-core, but really, do you need to see everything? In a world so graphic that we have beheadings on TV and our entire personal history on the web, can something not be said for a lady who is gracious enough to show us every pore of her womanhood, yet saves her most intimate moments for our own imaginations, fantasies and dreams? In this conservative world gone awry, aren't those the places where most men truly live anyway? Do us a favor, Nicole, keep posing and don't ever change. Thanks for being our ultimate fantasy-girl.

CYNTHIA ROMERO

Courtesy of V-girl Romina...another Paraguayan Beauty!

There are two stories of discovery we love to hear. First and foremost is the reader who stumbles onto a babe, gets her to pose, then does the happily-ever-after thing with her. A close second is a *Voluptuous* model spotting a potential *Voluptuous* model, convincing her to pose, hooking us up and... well, you get the picture(s). Thanks go out to Romina Lopez, a finalist in the 2005 *Voluptuous* Newcomer of the Year contest (Holiday '05 issue), and our first-ever Paraguayan model. Now, here comes our second. From the looks of our first two busty P-girls, man, we can hardly wait for number three!

SCORE—Jan. '06 and
Nov. '05

A college student who is admittedly shy in life and posing, Cynthia appeared in the Nov. '05 *SCORE*. However, even though being in *SCORE* was good for her, the stroke book she really wanted to be in is *Voluptuous*. "That's because everybody thinks I am not natural," Cynthia told us from her small, anonymous (hey, we promised!) Paraguayan town. "People think I am fake because my breasts are too big. I want to prove to everybody that I am all natural, and being in *Voluptuous* proves that." All natural, indeed, and pretty damned perfect looking if you don't mind us editorializing a wee bit. Welcome to The Show, Cynthia. Come back any time. And, please, can you follow Romina's lead and try to bring along a friend next time?

The Plumpest Big-Tit Video Ever Made!

Video Review By **CURLY REDWOOD**

DONNA

Horny Plumpers is loaded with big tits, big asses and big orgasms. You won't find any women who shop in the petite section here. These are real women with real serious curves.

DONNA

Donna is sleeping when a hand reaches out, pushes aside her silk nightie and starts massaging her enormous right breast. As "Thing" caresses and fondles, it peels her jug out from the lacy lavender bra encasing it and starts playing with the nipple.

The nipple is tugged on, making it harder. Soon, more groping takes place, all of it featuring an excited left hand on her super-sized right tit.

Finally, after several minutes of having her rack manipulated, Donna wakes up saying, "Oh, hi honey" so clearly, it's obvious she knows the man attached to the hand. Moments later Donna proves that she wakes up better than 99.9 percent of the women in the world when she takes over and grabs two massive handfuls of her own cleavage.

The busty blonde lovingly cups her mammoth tit-flesh and puts on a show for her man, feeling herself up and sucking on her own nipples. Donna has great nipples. They're thick and not just suckable. These are dugs you could really sink your teeth into.

Donna then starts smashing her tits together with a resounding sound. She slams them together with such force, you almost wouldn't want to have your cock between them at that moment for fear of permanent injury. Then again, it would be worth the risk.

Donna's hooters hang almost down to her navel. She starts fingering herself before laying back on her bed. Out of nowhere, a lavender vibrator appears. Clearly, Donna pays attention to detail, since her vibrator matches her outfit.

She sucks on the toy and moments later bashes it repeatedly against her nipple. After using the vibrator to satisfy some pleasure/pain needs, Donna

**LAURA
BAILEY**

Horny Plumpers

uses the tool for what it was designed.

She slides several inches of the massive member into her meaty pussy, ramming it in and out while her left hand plays with her humongous tit. She loses the vibrator and goes back to two-handed tit play. Donna then wants to know "Is this getting you horny, looking at these big, floppy tits?"

Is this a trick question, baby?

Donna gets on her back and goes back to using the vibrator to fuck herself silly. She takes more of it this time and jams it deep into her sopping hole while she plays with her clit, literally cumming in seconds.

MONIQUE

After that, Donna announces that she's going back to sleep. Naturally, she's exhausted. You would be, too.

LAURA BAILEY

Laura is wearing her own version of a French maid's outfit. Except we never saw a maid-French or otherwise—who had tits like her.

The scene begins with Laura vacuuming, but mundane chores are soon put aside in favor of more exciting pursuits. Laura sits down, removes the top she's wearing, along with the sheer bra, unleashing an incredible set of cans.

SCARLETT

Laura has a big grin on her face as she fondles and caresses her pendulous bosom. She licks her nipples and continues to massage and knead her breast flesh. She then lays back on the couch, and her hand immediately dives for her hot snatch. She must be left-handed because she diddles like a pro before sliding a finger into her moistening slit.

After examining every bit of her cooz, Laura gets on all fours and we get to watch her dangling rack flop around just like they would if she was getting a hard cock from behind.

Laura gets back on her knees, and we get a good shot looking down at her enjoying her glorious globes. Her smile is one of contentment as she plays with her flesh pillows. She grabs onto each nipple and twirls them around and around.

Where she'll stop, nobody knows. Well, old Curly knows, but I won't spoil the ending for you.

MONIQUE

Monique starts off by feeling herself up over a leopard tank top and black bra and asks if you've ever seen boobs this big. As your man Curly was reaching for some lube, I said to myself "I haven't seen a head *that* big." Monique shoots back, as if on cue, "Betcha they're bigger than your head." I had to hit the "Pause" button to make sure she

SAPPHIRE

was on a DVD and not in my room.

For you guys who love flesh, Monique is your kind of woman. The girl is big and not just in her tits. She's big all over. Big ass, big legs, big arms. She's going to do some jiggling when you start to plow that field.

Monique tells us she wants to be a bad girl and suggests putting your head in between her tits and squeezing. Proceed with caution, fellas. Maybe

you make it out alive and maybe you don't. When Monique peels back her bra to unleash these massive mammarys, they just spill out and cascade down her body. It's an incredible amount of tit-flesh, enough for five women. Monique cups her boobs and lifts them for you to see, but it's clear that she is lifting quite a heavy weight.

After playing with her rack for a while, Monique is getting so turned on that she begs for a hard cock to go

between her tits. You'd better be 10 inches or more for this job. Fucking those tits could be an all-day job.

Instead of a man, she pulls out a dildo and gives it a loving dose of head, showing off her tongue ring in the process. Without even pushing her boobs together, the dildo simply vanishes between her beach balls.

Finally, Monique takes off her pants and shows us she doesn't wear any

undies. She faces away from the camera as she sheds her clothing so you can check out that big ass. She gets back on the bed, and her fingers go straight for her twat. As she's rubbing herself, you'll notice her middle finger disappearing as she slides it into her hot hole.

The dildo comes back out and Monique lies back and rubs it against her clit, sliding it through the folds around her pussy to get to her button.

Monique provides some insight when she tells us that her favorite position is spooning so you can fuck her from behind and reach around to play with those tits. She gets on her side and crams that dildo in and out of her gash until she moans with pleasure.

MICHELLE LOUISE

Michelle starts off by licking her finger and tracing saliva around her nipples. She wants them to be hard for you. Michelle doesn't say a word. In fact, she barely acknowledges the camera. Michelle is there just to get off and get you off.

The next shot we see is a close-up of Michelle's wet box, her middle finger diddling away. After working that clit just enough to make herself let out a brief moan, Michelle goes back to tugging at her tremendous boobs.

When Michelle goes back to fingering her pussy, you can hear how wet she is while she plunges her finger in and out of her hot gash. She finds a long, pink vibrator and traces it around her nipples and all over her body.

Finally, she gets down to business, and the vibrator makes a beeline for her bald beaver. Michelle pushes it in deep and works it in slowly, savoring every moment with her buzzing friend. After she turns over onto all fours, Michelle teases herself with the toy, letting it hum on her pussy lips as she slides it everywhere but inside of her.

After getting back on her back—Michelle must have spent some time as a gymnast the way she flips so easily—our big-titted blonde star really starts going to work with the vibrator. Again, though, all of her movements are slow and deliberate.

KERRY MARIE

This stacked issue just got a whole lot bustier!

Are you all starting to get the sense that you're in the midst of something special? First you get more brown-eyed winkies than you can shake your sticks at on page 12. After the ass-fest, we delivered The Great One, Nicole Peters. Then, a sexy, curvy South American newcomer, Cynthia Romero. And now, the one and only Kerry Marie. Hey, when we say *All Stacked! All Natural!* it isn't just a coverline, it's what we live for!

We've certainly shown you guys raunchier pictures of Kerry, our 2003 Model of the Year. However (we're not exactly going out on much of a limb here), we doubt you've seen her looking any prettier. Over her six-year career, Kerry has matured into a bonerfide, chick-stick plunging sex bomb. Yet, the essence of this busty babe is her small-town, girl-next-door charm. Kerry is one of those rare models who can simultaneously captivate your heart with her smile while she enflames your passion with her tits. She is as sexy as she is adorable, and that's what makes Kerry so very unique.

Over the past few years we have seen Kerry's figure fluctuate from rubenesque to plump to super-plump. In 2004 Kerry got so big, she was crowned XL magazine's Plumper of the Year, though Kerry admitted to us that she loves herself just the way you see her in these pictures. "I admit, sometimes I get too big, and I just don't feel right. Here, I feel sexy, beautiful and desirable. What do you think?" *Sexy. Beautiful. Desirable.* Appropriate adjectives, indeed. However, we prefer a different word to describe Kerry... *Voluptuous.*

AUTUMN

If you've got the balls to handle this busty babe, Autumn's ready to give as good as she gets!

Yes, V-men, this is Autumn. *Voluptuous* chick of lore, the pride of Alabama and a sweetie-pie with a cute face, incredible rack and a pussy that looks like it could suck up marbles off the floor. What's with the kinky look? Hey, *Voluptuous* isn't just about satisfying *your* fantasies. The gals have them, too, and here cums one of Autumn's!

Video: *Ultimate Autumn* (XXX-Rated, available on DVD and video in this month's Video Club on page 98 of this issue)

So, Autumn, what's the deal? "I swear, everybody thinks I'm a priss, and I am. But, I have a dark side, too! Plus, I've been watching a lot of *Real Sex* on HBO, and I keep seeing this, so I figured, what the hell?" How're those clamps working? "They're so...tingly. My nipples are super-sensitive to begin with. With clamps, wow, it's like this intense, sexy pain. Can I keep 'em?" No problem, sweetie! It's our pleasure.

HORNY PLUMPERS

Continued from page 36

Soon, an even larger dildo makes its entrance. But instead of this being the end for the vibrator, Michelle manages to incorporate both toys into her pleasure-seeking. She continues to slide the vibrator in and out of her glistening snatch while the dildo rests in between her bountiful cleavage.

Then, out of nowhere, it's like somebody cranked up Michelle's horny meter as she furiously rams the vibrator home. She gives us a look that says, "If you stop right now, I will have to kill you." She keeps up the pace with her right hand while rubbing her clit with her left until she cums loudly.

SCARLETT

At first, it looks like we're heading into a rainforest, but the camera pans down and we see Scarlett standing in an outdoor shower surrounded by lush, green vegetation. Scarlett is wearing a sheer, red babydoll and wants you to get wet with her.

A tug of the string on each side of her bikini bottom sets them free, but

Scarlett tugs the material back and forth through her meaty slit to get herself ready for the cool water. We then peer through a fence surrounding the shower as Scarlett bounces her boobies up and down.

The water turns on, and Scarlett starts soaking herself over the negligee. The cold water makes her squeal, and Scarlett gives each of her nipples a

quick sucking just in case they're not hard enough yet. Scarlett has large areolae and thick nipples that beg to be bitten. Her floppy whoppers hang low with the nipples pointing down.

You can tell Scarlett is enjoying the pulsating shower head. She leaves it inches away from her twat and lets the water cascade against her clit. At this point, Scarlett clearly has a very wet and clean box. It's about to get dirty.

She finds a big, red vibrator and wraps her big melons around it, pumping the toy furiously between her cans. She continues the titty-fuck with her melons bouncing every which way

Fortunately, there is a bottle of lube nearby, and Scarlett liberally applies it to the vibrator. She sits down on a bench and eventually works almost every inch of the long, plastic cock inside of her box. After she orgasms, she grabs a quick shower and you get to watch as she dries herself off. Scarlett bends over and spreads her ass cheeks for one last look at her bountiful butt before wrapping herself up in the towel and promising more next time

SADIE BROOK

Sadie starts off by explaining all the different ways she likes her big tits to be handled. You can lick them, suck them, bite them or pinch them. Sadie tells us she can orgasm when you pinch them.

The best part about this scene is the close-up we get of Sadie's right breast as she talks about what makes her wet. As her sexy voice describes in bone-stiffening detail what she wants you to do to her, Sadie continues to fondle her giant melon and play with her nipples.

This is hot stuff.

Sadie clearly likes to be on top because when she talks about fucking your hard cock, she immediately starts bouncing up and down like she is riding a long shaft. Of course, her beach balls bounce even more wildly as we watch Sadie play out the scenario she has created in her mind.

After this, Sadie removes her bra and panties and climbs onto the bed on her hands and knees. She finds a piece of rope and wraps it around her massive mammaries before tying a knot and then tonguing the rope.

Since the rope isn't firm enough, Sadie finds an enormous dildo and wraps her tits around it. She pumps the foot-long tool into her cleavage, giving

LEAH JAYNE

HH-cup tits and a super-sized body!

Yes, it's time for another lusty, busty newcomer. Her name, as you can read above, is Leah Jayne. Now, we don't want to waste time with a senseless story about Leah, especially when you guys just want to start stroking, so here come the highlights. She's British, has huge tits and a big, curvy body. What else? Oh yeah, she's 21 and horny as hell! Need we say more?

BARE FACTS

LEAH JAYNE

Age: 21 Birthday: October 10, 1984

Height: 5'3" Weight: 177 lbs.

Bra Size: 34HH Measurements: 48-38-44

Born, Raised and Lives: Nottingham, England

With Leah's big titties and her shaved snapper, where would you slam your cock? "Don't forget my asshole!" Leah tactfully reminded us. Yes, she's a no-holes barred type of gal, which Leah attributes to... "I'm young. What can I say? I've discovered sex, and I want it all. Anywhere, any time, any hole! It's all good." Fresh boobs... Ya gotta love 'em!

THE WALLS HAVE EARS

I'm not much of a writer, so you'll have to forgive my bad spelling. But, I love *Voluptuous* and your videos, and I wanted to thank you for getting me laid with my neighbor.

This is going to sound weird, but I have this gal who lives next door to me who is so hot that I have been jacking off to fantasies about her for five years now. When I first saw Cherry Brady in *Voluptuous*, I thought she was living next door to me because their faces and bodies are identical. One time I even called out to her, "Hey Cherry!" and she didn't turn around, so I figured it wasn't her. Plus, from what I have read in *Voluptuous*, Cherry lives in California and I'm in Atlanta.

Anyways, I'd been trying to hook up with Connie (that's my girl's name) for years, but nothing had happened. Then, I got a *Voluptuous* (I can't remember which one), and you were talking about a porno tape and a particular girl, and you said something like, "Turn the volume up for this one and all of your neighbors will think you're a stud!"

That got me thinking.

RATED FILES

You see, when Connie has sex next door, I can hear everything. With the air ducts and the thin walls, it's like I'm in the room. So, I figured, why not get a video, crank up the volume and give her a dose of her own medicine?

So, I got *Voluptuous Xtra* #8, put it into my DVD player in my bedroom and there was Cherry Brady, or was it Connie? It could have been either, but man was she hot. The scene was great,

FLORRI

Anybody hail a cab...driver?

We have a big tip for all of you guys travelling to Romania—lose the limos and take a cab. If you get lucky, you just might find this smiling face and huge rack saying, “Where to?” Yes, Florri drives a taxi by night and poses by day. Sometimes vice-versa, though with her big, all-natural E-cups, she can pretty much do whatever she wants as far we’re concerned. Some of you may remember Florri. She debuted in the Aug. ’05 *Voluptuous* in a lezzie lust-fest co-starring fellow Romanian *Voluptuous* gal-pal Crisa...and a whole bunch of big, ol’ sex toys! Hey, girls will be girls, and as much as Florri loves poontang, this month, she is going it alone, though not really. We’ll be here to keep her cum-pany.

Check out the ass on Florri! Talk about a heart-shaped ass with a lot of...heart! Only, what's up with that clean-shaven pussy? Even you neat-freaks out there have to admit, this gal just looks like she should have a furry one. "I do, normally, but I have to shave or else it gets to be too much," Florri told us, not really understanding that, with bush, it's hard to ever have *too* much. "It's almost like a jungle. When I don't shave, I'm always having to wash myself because my hair down there gets too matted, and I worry about what a guy might think if I get lucky and get laid. I want to give a cock easy access to my pussy."

Fantasy: "Did

Crisa? Now, add
a hot guy!"

Florri is just one of several new Romanian models we have seen from that country in the past year-and-a-half, and like her countrywomen Joana and Crisa, Florri is just a regular type of gal with an incredible body. She drives a cab, digs football (though her favorite team doesn't wear helmets), and can pound beer with the best of us. Plus, she loves big tits, so, whaddya say, guys? Let's welcome her to the greatest boys club on earth with the *Voluptuous 21cc* salute. *Ready, aim...*

NIKKI PEREZ

They just don't get any more real than Nikki!

Yes, in this issue of *Voluptuous* there are bustier women than Nikki Perez. Perhaps there are even sexier models or hornier ones. However, there is no one in this mag more real, down-to-earth and girl-next-door-ish than Nikki. She's a busty businesswoman in the Miami area who doesn't strip, run an Internet site or have any wild stories about fucking Miami Dolphins. She's just a workaholic who slaves six days a week, is totally insecure about her body and for some reason thinks we only take her pictures out of charity. Every time Nikki has posed for *Voluptuous*, she hasn't even called to setup an appointment because she thinks we'll turn her down. Nikki just knocks on our door and waits around like the guy delivering lunch until our photographer is finished shooting some amateur skinny-minny who's nowhere as hot as Nikki. Then she says, "Please, you don't even have to pay me." Don't worry, guys, we pay her, even though both we and Nikki know she's not in it for the money.

For Nikki, being in *Voluptuous* is, basically, the highlight of her young life. You see, she spends all of her time working, eating Pollo Tropical (it's a South Florida thing, and mighty tasty!) and a big night for Nikki is the Tuesday new release from Blockbuster and a bag of Act III popcorn. She doesn't date, hasn't had a boyfriend for five years, and, according to Nikki, every now and then she needs some reassurance that she's, you know, a hottie. We always wonder about the guys yelling out, "Hey, hottie!" every time she walks by, but we guess Nikki has her I-Pod cranking or something. So, she poses for you, and we show her the hundreds of letters we get every time she appears, praising her as a sex goddess, and Nikki smiles and thanks us profusely. Then, we wait a year or so until we come back from lunch to find Nikki in our waiting area. And we know that she's going to make all of *our* fantasies come true, yet again.

and I turned the volume up loud enough so my neighbor could hear everything, but not so loud that she would know it was a video.

I really started to get into it. Cherry is really hot, and I was hard before she even got naked. When that guy went into her ass, the way she was squealing, I literally came all over myself.

The cool thing was that I was getting into it so much, I even started moving the bed so that it banged against the wall. I know Connie was home because I could hear her closing doors, and when my DVD started, all the noise from next door stopped.

I started imagining her listening to me fucking Cherry Brady. I could picture Connie in her bed, playing with her big tits and pumping her juicy pussy with her fingers while my bed slammed against the wall. I thought I could almost hear her cumming next door when Cherry did on the video.

It was so cool.

But not as cool as what happened the next day.

I came home from work just like I do every day. It was 7:30, and I was walking down my hallway with some KFC. Only, this time Connie came out of her apartment right when I was walking up to mine. Normally, she just smiles at me to be polite and goes on her way. But, this time she stopped right in front of me and said, "Hi John. What's up?"

It surprised me, because although I knew her name, I didn't think she knew mine, so I said, "Hey, Connie."

Then, instead of walking away, she said, "Chicken, huh? I'm starving."

It was an invitation, right? At least that's what I thought it was, so I said, "Want to join me?"

She got all smiley and said, "Sure."

Now, I have to tell you, I admired Connie from a distance for years, and I have always thought she was incredible. But, up close, she was something! She was wearing a white T-shirt that was tied at her waist. She had a huge rack to begin with, but this made it look even bigger. The fabric was stretched around her boobs so tightly, I could see the outline of her pancakes, and her nips were so far out there that I thought they would take my eyes out. She had on these tight Levi's jeans that hugged

her ass and crawled up her crack.

Man, she looked hot! I was already starting to get a hard-on, and I hadn't even opened my front door yet.

We went inside, and I put the chicken down on this small table I have off the kitchen. I offered her a seat and brought out some plates and stuff.

Dinner was nothing special. We made small talk, and I stared at her tits. I tried not to be too obvious, but she caught me a lot of times. She didn't seem to mind at all because every time I stared at her tits, I would look up and see her watching me. Instead of getting pissed, she would just smile at me.

Connie also kept tossing her hair over her shoulder. She has long, kind of wavy red hair, just like Cherry Brady, and it kept falling down over her breasts. Every time it would fall over her breasts, she would toss it back over her shoulder. The first few times I thought she didn't want it to get in her chicken, but I started to think she liked me looking at her tits, especially when I saw the way she kept smiling at me.

Anyways, we were eating chicken and mashed potatoes when Connie asked, "So, no date tonight?"

I didn't know what to say, so I just said, "No, nothing going on tonight. I'm pretty tired anyway. I didn't get much sleep last night."

"You can say that again."

I knew it. She *was* listening. Now, here she was, eating chicken and smiling at me. Flirting with me. She wanted me to make a move! At least I think she did. I'm not a stud. Believe me, when I tell you that I am more of a geek than a player. I've only had three women in my life, and one of them I paid for.

I didn't know what to do, but I had to do something. Even if she kicked me in the nuts, I couldn't live with myself if I missed out on this chance. So, I did something so ballsy (at least for me), I still can't believe it. I stood up and slowly walked over to where Connie was sitting. My hard-on was pretty damned obvious, so I eased up next to her. My boner was right by her face. Then, I moved behind her, and reached down and put my hands around her face. I put one hand on each of her cheeks and cupped her face.

Instead of elbowing me square in the balls, which I was pretty much expecting her to do, Connie tilted her head to the left and took my left index finger in her mouth and started licking it.

Again, I'm kinda nerdy, but even I know a sign when I see it, so I twirled my finger in her mouth while I moved my right hand down her neck and grabbed a handful of her huge tits. They were so big and soft and incredible. When I rubbed her hard nip, Connie started sucking on my finger. When I tweaked her nip, she moaned real deep and reached both of her hands behind her back and around the chair and grabbed my boner.

Then, she swung around and attacked my dick. She pressed her face against my pants and started mouthing my boner like she was eating corn on the cob. Her hands were grabbing my ass, and after a few seconds her right hand came around and unzipped my fly. When she pulled my boner out from my underwear, it sprang to attention and slammed against her face.

Believe me, Connie didn't waste any time. She totally inhaled my dick, and here's where it gets a bit embarrassing. She started deep sucking me, and I came in like a minute. I swear, it was all I could do to last that long. I grabbed her red hair and just rammed her head down my dick. I'm like six or seven inches, and she took it all as I pumped a shitload of jizz in her mouth.

When I pulled her head up, she was licking her lips and stroking my cock with her right hand.

Then, she stood up and unzipped her jeans. Connie was out of them in a second, and I started to get hard again the second I saw the moistness on the inside of her thighs. She had on this white thong. It looked like cotton, but it was real dark from all of her pussy juice. I pulled down her panties, and she had such a hot looking pussy. She was a natural redhead, and when I pushed my face against her bush, it was all damp and musky. She smelled so good. I slipped two fingers in her hole, which was sopping wet, and I started finger-fucking her with my right hand while I licked her clit. You think I came fast? Connie came in seconds! She was screaming and shaking, and in the end, she lurched forward and totally smothered my face with her pussy.

I swear, I didn't want to stop, and with Connie grinding her pussy into my face, it didn't seem like she wanted me to, either, but my hands had wandered up to her tits. I couldn't help myself. As much as I love pussy, man, I

When a reader says, "Here's my girl," we can't resist!

Yeah, you can call us suckers for readers who offer up their girlfriends for our jacking pleasure, though we prefer to be called the "luckiest men on earth!" This is Pia, she hails from Denmark and her man is B.R., a long-time reader who decided to take a leap of faith. He drove out to the country, Pia stripped down to her lingerie, put on that jacket, and B.R. started taking pictures. Some were blurry, others were missing things like heads and tits, but B.R. had a good excuse. His boner got in the way. And, so did his fantasy...to see his girl in *Voluptuous*.

Now, nobody is going to confuse Pia with Susanne Brecht, perhaps the greatest Dane of all-time. However, if you ask B.R., there's really no comparison. "Susanne Brecht was the woman who made me realize I loved big breasts. But, I must say that Pia is so much better because...she's mine!" The guy knows a good thing when he sees it—every night, we might add—and B.R.'s nocturnal play-time just got a whole lot hornier. "I don't know who is more excited about seeing her pictures in *Voluptuous*, me or Pia. We're going to get 10 magazines and cover our walls. The sex is going to be so hot!" You see, this is what we love the most, bringing joy, happiness and hard-ons to the world. Thanks for sharing, B.R., and double-thanks to you, Pia, for being a true fantasy girl come to life!

love tits more than anything, and I had to see her boobs without her T-shirt.

I pulled it over her head, and I have to tell you, the sight of her perfect, *Voluptuous*-quality tits got me hard instantly. Connie saw my cock spring to life, and she started stroking it.

I told her, "Lay down and push those big tits together!"

She got down on the floor, and when I straddled her with my ass by her stomach, she said, "No, come in the other way. I want to lick your asshole and suck on your balls."

Man, I knew Connie was a great fuck from listening to her through the walls, but I had no idea she was *this* good!

I straddled her face as she pushed her tits together and there was her tongue, darting up. I hung my balls over her face, and she started licking the underside of them. Then, I lowered my asshole to her face, and I swear, she got off on that. She was licking my asshole, and she even stuck her tongue up there. That was my first time, and I have to tell you, it was unbelievable. I know that probably sounds weird, but I don't give a shit. What can I say? I like a girl's tongue in my asshole!

I could have cum again, but I really wanted to fuck Connie's tits, so I pulled up, and told her, "I need you to wet me up a bit." No problem for Connie. I basically fucked her face for about a minute because she was sucking so hard that she wouldn't let go. When I finally got free from her mouth, I used my thighs to push her tits together, and I slid my cock between her cleavage.

God, it was unbelievable. I have never tit-fucked a woman with huge boobs. The hooker I went to when I was 21 said she was a D-cup, and Connie's boobs had to be twice as big. Plus, these were so soft and spongy, they just wrapped around my cock like a pillow, and Connie's skin was so soft and my cock was so wet with her saliva, I just slid back and forth through her boobs.

It was almost like a dream or a movie or something. I got lost in it until, on one backstroke, I felt Connie's finger on my asshole. By now I kinda figured she had an asshole fetish, and when her finger went up my asshole, I was positive. Now, as much as I liked her tongue up there, that finger, I don't know about

that shit. I ended up leaning forward and over her tits just a bit more to get away her, because every time I slid back, that girl was trying to go deep—*real deep*, if you know what I mean!

By now, my face was over her pussy, so I started fingering her, and that got Connie going even more, which was good and bad.

You see, her finger kept going up my ass even further. I couldn't take it any more, so I told her, "I have an idea."

I turned around, put my cock between her tits and fucked them so the head popped out. She pulled her head up and took my dick in her mouth. She held it there while she cupped her breasts on each side and slid them back and forth, basically fucking my cock with her tits. I leaned back and braced myself with my left hand. With my right, I went right for Connie's pussy. It was soaking wet, and I got four fingers up there when I got an idea. I took my first two fingers and put them in her pussy. Then, I took my lower two fingers and slowly popped them into her asshole. Connie went crazy. She was pumping her hips so much, all I did was hold my hand still and she fucked my hand deeper and deeper until I was in both of her holes up to my knuckles.

Yes, I know this sounds like total bullshit, but somehow we came together. Actually, she came first, but right when she started to cum, I just exploded. It would have gone in her mouth, but when she came, Connie threw her head back and started hyperventilating, and I ended up blowing my load all over chin and neck.

I'd like to tell you that I have a new girlfriend, but this is real life. We didn't do it again, though we probably could have if I just had enough balls to knock on her door. Maybe she was waiting for me to come over. Who knows? The next week, Connie had a new boyfriend.

Still, Connie is a lot friendlier to me now. She gives me kisses whenever we see each other, and, every now and then when her boyfriend (who is a total yuppie, Mercedes-driving, pretty-boy dickhead) isn't looking, Connie will pinch my ass and give me a wink.

Sometimes I'll say something cute like, "KFC tonight. If you're free, come on over!" Most of the times she just smiles and says, "Sorry, I can't." But, there is a twinkle in her eyes that tells me she is thinking about it.

Who knows, maybe one day.

herself a hard tit-fucking before laying back and inserting a smaller vibrator into her obviously moist hole.

Sadie puts her right leg in the air and rams the pink pulsator into her pussy. When she's not doing that, she's moving it slowly over her clit. She then gets up on all fours, straddles and rides the hell out of it. Finally, Sadie sits on the edge of the bed and crams the vibrator all the way up her twat while she diddles her clit until she reaches a rather loud orgasm. She found out that good rewards come from hard work.

SAPPHIRE

Leg men will like that Sapphire's scene starts with her wearing a sapphire-colored mini dress. It doesn't take long before she spills her jugs out of the dress and plays with them, showing off her sizable areolae and sapphire-blue veins running through both tits.

The difference between this scene and the others is there actually is a man in this one. He's never fully on-screen, but we see his legs as Sapphire does a lap dance for him, sliding her mounds all over his thighs. His hands also make an appearance, as he grabs, squeezes and fondles Sapphire's floppy tits.

Out comes some lotion, and the mystery man massages it into Sapphire's breasts. His hands go crazy with the lotion, dumping a monster lotion load all over her rack. Sapphire is obviously enjoying all of the attention from this "handjob," and she returns the favor by pushing her tits into our man's crotch. He would have probably enjoyed it more had he not been wearing jeans.

Sapphire's confidence shows when she puts her bodacious tits in front of the camera and announces that she knows you want them, and she's right. She then bends over the end of the bed and starts shaking her ass. The mystery guy hooks us up by giving that meaty ass a few smacks.

After grinding on our man's joint again, Sapphire goes back to the bed and fingers her pussy. She makes no bones about the fact that she would prefer a hard cock, but a girl's gotta do what she's gotta do, so Sapphire works that pussy until she starts to scream orgasmically. Not as loud as you probably will, but still hot as balls. 

CASEY CLEAVAGE

Finally, truth in advertising!

We have a confession to make—we love *almost* everything about Casey Cleavage. Those big, full, flopping tits with perfect areolae and dugs we'd love to suckle on all night long are what tit-men live for. And her ass is so round and plump and fuckable, it's to die for. Then, there is Casey's face. Can you imagine those bright, passionate, gorgeous eyes gazing up at you while her petite, perfectly succulent mouth and seductively soft tongue lavish your bad boy with love and lust? The only thing we really don't dig about Casey is...her tattoo. Something about it says, "bad ass," like Casey would spank ours if we got out of line or didn't make her cum. You know, handcuff us to the bed and treat us like her bitch which...hmmm, come to think of it, perhaps Casey's tat isn't so bad after all.

See, we told you Casey's ass was a work of art. Broad-beamed so you can grab a good handful, but not all cottage-cheesy, which is just freakin' gross, Casey's caboose is, well, fuckable. "C'mon, it's *very* fuckable!" says the effervescent one, who is as personable as she is pretty. "You know, there isn't a part of me that wouldn't look good covered in cum!" Did we fail to mention that Casey has a mind as dirty as all of ours? And, she's smart, too. That cum-comment? Casey's right on the mark about that one. But, you guys already know that, don't ya?

ALL GOOEY WITH LUST

A virgin no more! Anastaisa takes every inch!

It's time for the Horniest Show on Earth, and batting lead-off is Sept. '05 V-girl Anastaisa, who was so horny, she said, "Screw foreplay! Let's fuck!" If you look at that girl-goo oozing out of her twat, trust us, if you guys think you'll be cumming like crazy, just wait'll you see Anastaisa get off!

Voluptuous XTRA 1

By day, and sometimes night, Anastaisa works at a coffee shop in Redding, California. She debuted sans cock in the Sept. '05 *Voluptuous*, but she told us that she could hardly wait to get laid on camera. Seeing her take a stiffie both in these pictures and in her *Voluptuous Xtra* #11 video fuck-fest, she must have downed a couple gallons of strong coffee, because this babe fucks like she's totally wired. "Yeah, wired on lust!" the not-so-bashful one told us. "It's been a fantasy of mine to get fucked by a porno stud for as long as I can remember. I just wanted every hard inch of him deep in my pussy and down my throat. I wanted to cum more in one hour than I do in a month! I wanted to have his gooey jism all over my face and tits. I wanted filthy, dirty, raw, animal sex! I wanted...everything!" So, Anastaisa, did you get everything you wanted? "Oh yeah! And then some!"

BARE FACTS

"C'mon baby, fuck my face! *Harder!* I love it when you fuck my face!" Anastaisa's words, not ours, and thank goodness for that because this gal sucking cock is a sight. Those *Deep Throat* filmmakers might want to check this gal's cock-tunnel out for an over-sized clit because the way she engulfs dick, well, it just ain't normal! Then again, look at Anastaisa. If you've seen her debut hardcore video (*Voluptuous Xtra #11*) you know, there's nothing normal about this hottie! With a body built for sex and a libido that makes Mata Hari look like a nun, Anastaisa is what *Voluptuous Xtra* is all about!

YOUNG ANA IS A SCREAMER!

**If you can ever manage to get
that fat cock out of her mouth!**

Don't say we didn't warn you. This is Ana, and when we say she's just a teenager, you can take that to the bank, bubba. Only 19 years young, this Virginia Beach co-ed is that young prick-teaser you always wanted to nail, but just never got the time of day from. Now, we're gonna take you there for every suck and pump your dirty, deserving mind can handle. First off, the fuck flick is, hey, the same as Anastasia's 10 pages back...*Voluptuous Xtra* #11. And, though this Ana doesn't have six extra letters in her name or curves on her body like Anastasia, we gotta tell you guys, Ana is incredible. She's a dream fuck, especially for the hearing impaired. And when you see Ana's fresh tits flopping, her insatiable mouth sucking and her pretty face contorting in all kinds of orgasmic looks as she gets the fuck of her young life, man, the only advice we can give you is...paper towels, V-men. Lots of 'em!

Video: *Voluptuous Xtra #11* (XXX-Rated, available on VHS and DVD in the Video Club on page 98 of this issue)

You guys know who Ana is. We all see chicks like her every where we go. Ana is the gal with her belly-button showing walking around the mall looking hotter than balls 'cause she knows every guy aged 12-120 wants to fuck her. At the beach, she's the one you fantasize about screwing in the life-guard stand, only to fall back into the resignation of your 40-something life with a sigh and the knowledge that, if you were only 30 again, you'd make her see God. Maybe she's the cheerleader your son is getting head from in the back of your car while you watch videos with the wife. We all know Ana, and we've all thought the same thing: "If only..." Well, that's where we come in. You see, there's this miracle of technology called...the DVD. Now, you can see this teen tease getting ruthlessly pounded until she practically passes out. Then, she begs for cum and squeals like a virgin getting banged by King Kong until she's finished off with a facial that will make every guy say, "Yeah, whaddya think of that, honey? Told ya so!" Turn to page 98. The good life awaits.

BAD TO THE BONER

Orsolya takes cock in every hole!

You hard yet? If you're not, you will be! This is a special *Voluptuous* bonus magazine that, if you have breezed through it quickly, well, you get the idea. *All Stacked!* Definitely *All Natural!* And totally *All Hardcore!* There's no foo-foo glamour in this 32-page jack-fest, nor do any of these gals "make love." This is all about sexxx! Thirty some-odd pages of raw, pound-her-till-she-can't-take-it-any-more fucking and sucking with seven featured super-naturals, one threesome, loads of jizz and some of the sleaziest ass pounding you've ever seen. Plus, we have hardcore DVDs of all the gals which you can get and jack to until the cows come home—may they get lost forever! First up, we have Hungarian slut Orsolya and her all-natural F-cups, although our man-in-black, porn super-stud Sean Michaels, has his eyes on her round, plump ass! Sure, Orsolya's Euro-twat is sweet, juicy and could suck the cum out of 20 men, but it's her ass that has our guy drooling. Will he ram her rectum? *You betcha!* Full-page and in-your-face! Just turn that page to the right and you'll get a good dose of what this bonus freebie is going to deliver!

One thing you will notice about all the fuck-fests in this special bonus mag is there won't be that much stuff to read. We'll have an abbreviated Bare Facts giving you the highlights of each girl, a few words to tell you who and what each gal is all about, and the rest is going to be cock in mouth, pussy and/or ass. No strip sequence, no kissing, no lovey-dovey stuff. Just more fucking in 32 pages than most magazines have in 100. And, best of all, you can live the video- or DVD-life at the end of this sexxxtravaganza. All of these busty babes have fuck-flicks where you can get off on every stroke, every scream and every orgasm! Yeah, you wanna talk about a blockbuster night? Guaranteed to be in stock and to make you cum! Check out the back cover for details on how to load up your DVD library with the right stuff. Now, lock-n-load, boys, 'cause it's time to get it on!

DON'T TELL **MY BOY- FRIEND**

**Harmony has a secret,

We kid you not. This down-to-earth midwesterner came in to pose and do hardcore, only her boyfriend at home in Illinois didn't know it. She swore us to secrecy, then attacked this guy's cock like she was a nympho gone berserk. After she came, oh, about a zillion times, and the gooey guy gravy was still dribbling from her mouth onto her big tits, Harmony reminded us, "Don't tell." Hey, a promise is a promise. YOU MAY NOW FUCK THE BRIDE

How many of you went balls deep in your busty bride's virgin ass on your wedding night?

Not many of you. What a shame. Then again, not many of us get to have a bride like Daphne Rosen. Star of *Voluptuous Xtra* #7 and *SCORE Xtra* #11, busty babe and the horniest Israeli alive, Daphne loves big, hard cock deep in her cunt. But, the one thing that really gets her going is a long ride down her Hershey Highway, speeding all the way of course. What's that you say? You ready to cum! Then, the only thing left to do is take your vow. Do you, oh V-man with huge cock, promise to love, hold, cherish, and pound Daphne Rosen's virgin bunghole till it explodes with jizz? We thought so. HOW MANY WAYS CAN YOUNG IVA GET ASS-FUCKED?

**We don't have enough pages
to show you all of them, but
let's start counting anyway!**

Honest to goodness, guys, we have never seen a teenager love to get her ass fucked more than Iva. She's a 19 year old, Czech porn sensation who came onto the big-boobed porno scene in 2004 with a dick deep in her ass, and she hasn't stopped. We captured her getting anally pounded on two best-selling XXX videos, *Hard SCORE* and *Busty Euro Maids*, and after a while we were starting to wonder if she actually had a pussy. Yeah, we see it here, and we've got some pussy pounding shots in a couple of pages. But for now, kick back and enjoy one of the greatest ass-fuckees in the world. Yeah, lots of girls claim they're the best, but until they can measure up to Iva, it's all a lot of big talk. This gal, she prefers to walk the walk and show everybody that she can strut with the best of them!

No, say it ain't so? Yes, all great things must cum to an end. But, that's actually a good thing for you guys, 'cause any more pud-pound-ing and those old wives' tales about going blind would probably happen. Good for eyeglass shops, but bad for V-men. So, when are we going to do this all-hard-core thing again? For those of you who are new to *Voluptuous*, we actually do it every month. We have this 16 page thing we do with every issue, officially titled *Voluptuous Xtra*, but affectionately called the "Horniest Show On Earth." What's it like? Hey, go back to Orsolya's fucking on page two and start all over. That'll give you a pretty good idea!
